Wedding Reception Music Suggestions

The bride and groom traditionally select their music for the significant events of the wedding reception. The songs you choose will become lifetime memories, so select music and lyrics that best express your emotions, taste and style. In addition to your first dance song, you will choose music for the dances with your parents, the wedding party dance, the cake cutting and the bouquet and garter toss.

Below is a list of some popular song choices for these wedding reception dances and events. At Socko DJ's we can suggest additional choices and we will customize the reception music to accommodate your requests!
